CITY COUNCIL AT-LARGE

MAKING PHILADELPHIA AMERICA'S CITY

A Message from David :

I was born and raised in Philadelphia. I have gone to our city's public schools, worshiped in our city's churches, fought crime as a local prosecutor, served in our nation's military, and worked alongside many of you to make our city a better place to live, work, and raise a family.

I love this city, and have benefitted so much from all it has given me. Now it's my turn to help our residents and future generations. I am ready to serve. I have fresh ideas and a lot of energy.

Please join me in my campaign for an At-Large seat on the Philadelphia City Council. Thank you!

Sincerely yours,

David Oh

A Vision for Philadelphia

Just like you, I want to live in a dynamic city with a great quality of life, plenty of good jobs, and lots of opportunities. Philadelphia can be a major international city...a world player in commerce, technology, education, art, culture, entertainment and tourism.

Values and the American Dream

America's values have made this nation great and attracted people from all over the world to become fellow citizens. The American Dream started right here in Philadelphia. Let's believe in our values, live our dream and make Philadelphia, America's City!

A Positive, Fresh Approach

Yes, we can! Philadelphia has all the attributes necessary to be a world class city with plenty of good jobs, great neighborhoods, excellent schools, safe streets, thriving businesses, and low taxes. City government must lead the way by implementing policies and programs that will initiate our City's re-birth. As your City Councilman At-Large, I will work hard to make sure we are doing just that!
